EXPLANATORY NOTES ON SPECIAL BUSINESS TO BE TRANSACTED:

Resolution 7, if passed, will empower the Directors of the Company from the date of this Meeting until the date of the next Annual General Meeting of the Company, or the date by which the next Annual General Meeting of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such instruments, up to a number not exceeding, in total, 50% of the total number of issued shares (excluding treasury shares) in the capital of the Company, of which up to 20% may be issued other than on a pro rata basis to existing shareholders of the Company save that the 50% limit may be increased to 100% of the total number of issued shares (excluding treasury shares) in the capital of the Company in relation to a pro rata renounceable rights issue to existing shareholders.

For determining the aggregate number of shares that may be issued, the percentage of issued shares in the capital of the Company will be calculated based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time this Ordinary Resolution is passed after adjusting for new shares arising from the conversion or exercise of the Instruments or any convertible securities, the exercise of share options or the vesting of share awards outstanding or subsisting at the time when this Ordinary Resolution is passed and any subsequent consolidation or subdivision of shares.

The 100% renounceable pro rata rights issue limit is one of the new measures implemented by the SGX-ST as stated in a press release entitled "SGX introduces further measures to facilitate fund raising" dated 19 February 2009 which became effective on 20 February 2009 and will expire on 31 December 2010 unless extended by SGX-ST. It will provide the Directors with an opportunity to raise funds and avoid prolonged market exposure by reducing the time taken for shareholders' approval, in the event the need arises. Minority shareholders' interests are mitigated as all shareholders have equal opportunities to participate and can dispose their entitlements through trading of nil-paid rights if they do not wish to subscribe for their rights shares. It is subject to the condition that the Company makes periodic announcements on the use of the proceeds as and when the funds are materially disbursed and provides a status report on the use of proceeds in the annual report.

Resolution 8, is one of the new measures implemented by the SGX-ST as stated in a press release entitled "SGX introduces further measures to facilitate fund raising" dated 19 February 2009 which became effective on 20 February 2009 and will expire on 31 December 2010 unless extended by SGX-ST. The Ordinary Resolution 8 above, if passed, will empower the Directors of the Company to allot and issued shares (including shares to be issued in pursuance of the Instruments, made or granted pursuant to the Share Issue Mandate) other than on a pro rata basis at a discount of not more than 20% to the weighted average price per share determined in accordance with the requirements of the SGX-ST.

Resolution 9 is to authorise the Directors pursuant to Section 161 of the Companies Act, Cap. 50, to allot and issue shares under the Scheme. The size of the Scheme is limited to fifteen per cent. (15%) of the total number of issued shares (excluding treasury shares) of the Company for the time being.

Resolution 10 is to empower the Directors of the Company to continue to enter into interested person transactions, on the Group's normal commercial terms and in accordance with the guidelines and procedures of the Company for interested person transactions as described in the Appendix to Shareholders dated 6 April 2010. This authority will continue in force until the next Annual General Meeting.
