Annual General Meeting
23 April 2026

Transformative Year In 2025

- Good progress in our strategic transformative roadmap to transition towards an asset-light business model that is scalable and aligns with the technological trends today.
- Transforming from a traditional trading firm into a tech-enabled entity.
- Core businesses :-

- Operate remotely fully, flexible work model and fractionalised hiring.
- Increased equity interests in iChange, a regulated major payment institution, from 19.9% to 80.0%.
